

Dear St James School Families,

“There is a time for everything...” Eccl 3:1

God has a time for everything and unfortunately my time here at St. James has come to an end. As a religious sister we receive assignments and are moved at various times in our life. My time to be reassigned and moved has come. It is with sadness that I share I will be leaving St. James sometime in July.

It has been a really incredible 3 years and I have loved every minute of it! From staying up all night playing Rock band to feeding my starving children, to praying with you all on retreats or in Adoration! I loved being on Mission with you, studying the book of Revelations, and playing and singing Mass. I love the way God would look back and smile at me through each and every one of you! What a blessing you all have been to me and each one of you has become so dear to my heart!

St. James has become a family for me and it will be painful to leave, but I will keep your families all in my daily prayers! Thank you for allowing me to serve you, it has enlarged my heart 10x bigger! My greatest prayer is that Jesus would be the most important treasure you could ever find and that you will stay close to Him and help others to know God in a deeper way! This will bring you the greatest happiness this life can offer!

In God's Love,

Sr. Faustina Ferko
