

ROOM PARENT SELECTION 2017-2018

Parents' Club facilitates the room parent selection process annually. **This is your chance to volunteer to be a room parent for the next school year.** Any parent *currently registered* for Parents' Club is eligible. Interested parents should complete the form on the reverse side and return it to the school office to the attention of Parents' Club. **Forms are due on or before Friday, April 28th.**

FAQ's about room parent selection:

Why are room parents being selected in the spring?

The selection of room parents in the spring is being tested because it takes advantage of more parent volunteers per grade, not just per classroom.

How will room parents be selected?

Being a room parent is a special privilege. Volunteers who have not yet had an opportunity to serve as a room parent will be given priority. In the event that there are more volunteers than are needed in any particular grade, we will review the room parent history of volunteers and make selections with fairness.

If I served as a room parent this year, can I still be a room parent next year?

Yes, however if you are currently serving as a room parent, and other parents who have not yet had a chance to serve also volunteer, it is likely that the new volunteer will be selected. We make every attempt to be fair in the selection process.

What if there aren't enough volunteers in my child's grade?

Parents will be contacted individually and asked to volunteer. If your child(ren) is (are) in the upper grades and you have not yet served as a room parent, we ask that you *please* consider volunteering. The upper grades typically have the lowest number of volunteers.

When will I know the teacher that I will be the room parent for?

You will know whether or not you've been selected as a room parent by June 1. You will be notified via email by June 1. Teacher assignments will be available in August when class lists are posted on the West doors as usual. The room parent meeting is scheduled for Aug. 18, 2017.
