

HOOPS N' HEADERS

SPORTS DAY CAMP

HOOPS 'N HEADERS provides the opportunity for young people to develop athletic skills and improve total body coordination in an atmosphere of teamwork, sportsmanship and fun. Eight to thirteen year olds experience the skill training of a sport clinic camp along with the fun and diversity of a general day camp. HOOPS'NHEADERS offers the best of both worlds. With the option of a complete eight-week session or a weekly program, the staff gets to know each camper to help him or her recognize and develop potential and confidence. By the end of the summer, each player will have learned the ball handling, passing, play-making and all around teamwork necessary for basketball, soccer, and volleyball. These are the ingredients that lead to success in any sport.

The camp hours will be 9am-3pm daily. After camp activities are from 3-4:15pm for parents who need extended camp hours.

LOCATION

Betsy Ross Grade School
700 N. Schoenbeck Rd.
Prospect Heights, IL
at Schoenbeck and Palatine Rd.
