

## Angels in the Classroom 2017-18

Be an angel and help support a classroom! During the year, there are a number of unique needs that arise in each classroom that are not supported by our annual school budget. Please consider being “an angel” by making a tax deductible donation that will be used to purchase an item from one of our classroom’s wishlists. Teachers and staff members have supplied their wishes below. To be an angel is simple and rewarding! This year, you have TWO options:

**Option 1:** Purchase an item yourself or go in on an item with other families, and deliver the item to your child’s classroom. Please make sure to contact Julie Delaney PRIOR to purchasing to make sure the correct item is purchased and that the item has not yet been donated.

**Option 2:** Send cash or a check for an item to Julie Delaney via backpack mail (% Avery Delaney/ Ms. Lazzeretti) and we will take care of the purchasing and delivering of the classroom donation. Again, please contact Julie PRIOR to sending in your money so we can make sure we don’t have any duplicate donations. If you prefer to go in on an item with other families, please first collect the funds before sending in one check for an item. Checks should be made out to St. James Parents Club.

*\*\*Please take into consideration that most of these items listed **do not yet include** tax and/or shipping fees. Before making your donation, we will supply you with the most accurate price for a desired item.*

THANK YOU for considering becoming a classroom angel. Our students and teachers will greatly benefit from your generosity and thoughtfulness. Contact Julie Delaney ([julhill@gmail.com](mailto:julhill@gmail.com) or 847-942-5067) to make a donation from one of the wishlists below.
