

**Happy Birthday!**  
This Book Was Donated to the  
St. James School Library  
to celebrate to birthday of

**Child's Name** 

2017-2018

## St. James School Library Birthday Book Program

*Looking for a great way to celebrate your child's birthday?  
Donate a book to our school library!*

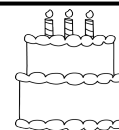

**Attention all students with Summer and Fall Birthdays!!!**

The Birthday Book program is a way for your family to help support our school library through the gift of a book! We will take a photo of your child with the brand new book they select from our collection. We will add a special nameplate inside the front cover of the book.

**If your child has a summer or fall birthday** and you would like to participate in this program, please return this form along with **\$10.00** cash or check payable to St. James School. *Students with Winter and Spring birthdays will get to select their books in January.*

**Thank you for your support!**
